

## Modern Problems of Arctic

International round table meeting «Modern Problems of Arctic» will be held in Saint-Petersburg Polytechnical University on the 25<sup>th</sup> of June 2020 organised by Department of Social sciences, Institute of Humanities. It is the second important scientific event on problems of Arctic development this year, and within period of pandemic it is held in a remote format.

The 5<sup>th</sup> International Scientific Conference «Arctic: History and Modernity» has been held successfully earlier this year on the 18-19<sup>th</sup> of March.

Researches and specialists from Moscow, Saint-Petersburg, Murmansk, Vladivostok and other scientific centers are going to take part in discussions. Results will be available both in electronic and printed format.
